| | <p>These notes should be used with map - Explorer 183 Devised by Anita Stamp October 2011</p> | |
| 1 | <p>Park in layby. Go through wooden barrier by information board. Keep ahead on path through wood ignoring paths from left. Pass seat on left. Emerge from wood, turn right along edge of wood. At marker post keep straight ahead. Cross stile, turn left towards Lambert's Farm.</p> | |
| 2 | <p>At marker post keep ahead towards farm buildings. Keep ahead to metalled road, farm buildings on left. Stay on road, passing house on left, (Allendale). Ignore footpath sign on right, keep ahead on road. At road junction, (Tey Cross Farm) turn left. In approx. 200 yards, opposite Reubens Farm, turn right through 5 bar wooden gate at side of Cherry Garden.</p> | |
| 3 | <p>Keep ahead with hedge on right. At marker post turn left, ditch on right. At next marker post cross wooden bridge, keep straight ahead. At next marker post keep ahead to cross wooden bridge. The next arrow points diagonally across, but it is easier to go round edge of field to meet road where turn right. Pass farm buildings on left. Pass Abrahams Farm. After a row of houses on right, ignore finger post on left. At bend in road, at next finger post and track, Baldwins Farm, Turn left. Stay on this track, passing farm house on right.</p> | |
| 4 | <p>Where track ends, stay ahead with marker post, on green grassy path. At gap in hedge, keep ahead, to marker post, hedge on left. At next marker post keep ahead to gates.</p> | |

| | | |
|---|---|-----------|
| | <p>(area suitable for refreshments). Through gate and ahead on wide grassy path. At marker post keep ahead to next marker post and 5 bar iron gate Keep ahead to road. Turn right.</p> | |
| 5 | <p>After tennis courts on left, turn left on bridle way. Follow blue bridle way arrows, (where you see a bridge in hedges on right, turn LEFT with blue arrows). Hedge on right, arable field on left. Stay with bridleway path to reach road.</p> | |
| 6 | <p>Turn right on road. Pass driveway to Cuckoo Farm. Ignore footbridge on right, stay on road. Ignore paths on left, stay on road passing pretty pink 'round house' on right. Ignore next footpath sign on right. Pass East Gores Farm on left, after Whitegate House, at end of Lylandii trees, turn left onto Essex Way. At cross roads of paths and conifer trees, keep ahead, with hedge on left to reach and go through kissing gate. Through next kissing gate and bridge, another kissing gate, turn right, follow round edge of field with ditch on right. At next kissing gate on right go through following Essex Way poppy sign, now ditch on left and wood on right. At next bridge and kissing gate, turn right. Keep ahead to next marker post and wooden bridge, keep ahead passing redundant sewage farm on right, Keep ahead, (church in view). At concrete road, cross over to path by 5 mile hour sign into brambly thicket, then grassy path leading to electricity/wooden structure on left, cross over grass towards Church. Onto gravel path leading to Chequers PH TL 891257</p> | |
| 7 | <p>Enter Church grounds with Church ahead, follow path through with church on left out to road. Turn right. Stay on road for a few yards to The Rectory on left, turn left on footpath, Rectory on left.</p> | 5.5 miles |

| | | |
|----|---|--|
| | At marker post, keep ahead, next marker post cross wooden bridge, cross field, over wooden bridge, kissing gate, to next kissing gate, over railway bridge. Keep ahead on grass to reach house and barn on right to road. | |
| 8 | Turn Left. At junction keep ahead to finger post opposite. Keep ahead on path to Hoe Wood. Follow permissive path through wood. Keep ahead ignoring paths on left, edge of wood on right. Emerge from wood at sign post, turn left. Follow this path along edge of wood. At marker post, turn left, follow permissive path. Wood on left, then leaving wood follow path with ditch on left. At track, turn left. At top of rise, turn right with red electric fence poles on right. In approx. 100 yards, LOOK FOR STEPS IN HEDGE GOING DOWN TO CROSS BRIDGE. | |
| 9 | Cross bridge then straight ahead up hill, slightly right towards Large Oak tree. Then downhill to gate left of bridge in right hand corner of field. Go through gate ahead, (not over bridge). Wire fence on right, keep ahead another kissing gate. Next yellow marker post keep ahead, next marker post and out to road. Ahead on road for 50 yards, at marker post on right, cross field slight right to corner. Turn right along enclosed path with wire fence on left, to stile and ahead to viaduct, under viaduct to path passing houses and to road. | |
| 10 | Cross road to opposite and ahead passing Church on right Keep ahead passing black barns on left to stile. Bear left to cross paddock wire fence hedge on left to go through gate. When you see the end of a hedge in front of you, keep to the left, with hedge on right. Through wooden gate, ditch on right wooden post on left. Another wooden gate, over wooden bridge and gate, ahead, big lake to right. At end of lake through metal gate, over wooden bride another gate, towards large oak trees, keep ahead over bridge (seems to be in middle of field) and | |

| | | |
|----|---|-------------|
| | ahead to gate in hedge (20 yards left of house that you can see in right hand corner through trees.) Up bank to brick road, Turn Right. | |
| 11 | <p>At house, follow path left of house round wall on right, wall becomes wooden fence. Keep ahead, through gate, another gate onto a path at side of brook.</p> <p>Coming to a yard with dogs kennels, at silver tank turn left along side of kennels, then ahead uphill into wood following path climbing, up. At top of rise at junction turn right.</p> <p>When reaching an open space/car park, go straight across over hump then turn left onto path. Stay on this path to edge of wood.</p> <p>At yellow ECC layby sign, turn right. At seat keep ahead following yellow top posts. Keep ahead to gate by wall, turn left along road and back to car.</p> | 11 miles |
