	<i>This is a nice easy family walk, suitable for children and the older agile person.</i>	5 miles
1	Leave pub car park, cross road, take footpath down side of Great Yard Cottage. At end of this path (Garden Fields) turn left with pavement and make way round small housing estate. Cross Holliland Croft, then cross over to other side. Cross Crismund Way, then after house number 7, turn right into footpath. At end of path head straight across to gate in fence on other side of field. Then straight across arable field To road.	
2	Turn Right, then left at finger post towards hedge, then hedge on right, at end of hedge line keep ahead across arable field, To road.	
3	Turn Left. At bend and finger post turn left on grassy path, through gap now hedge on left. Keep ahead, at arrow bear left with hedge on left. At next arrow, keep ahead, then in 50 yards turn right through crops (blackcurrant bushes at time of publishing) towards large house and Conifer trees. At trees, keep to left of trees (do not go over bridge) at end of trees turn left, keep ahead with hedge and Large House on right to gate and out to Road.	
4	Turn left. <u>Ignore</u> first finger post on right. Turn right down track opposite barn. Ahead to reach road.	
5	Turn Right. In a few yards turn left at finger post, over 'stile'. Keep ahead with hedge on right and wooden rail fence on left. At end of Horse Paddock turn right over bridge, turn left. Keep ahead with hedge and ditch on left. (taking care not to fall down rabbit holes all the way along this long stretch). At	

	<p>Blue/yellow arrows marker post, turn left. Keep ahead with trees on right. At end of hedge, keep ahead, with farm over to left. Then round buildings to emerge on to drive passing Flories Farm House, on left. Down drive to Road</p>	
6	<p>Turn Right. At Left Bend, stay on road to Finger Post; turn right on track, follow track with hedge on left arable fields on right. In approx... 350 yards turn left at marker post. Go straight across two large fields. (Church in distance). Near end of second field, head diagonally right across to bridge in field corner. Cross bridge and stay on headland for a while keeping to main headland, river, hedge, trees on right. (ignore paths left and right) To reach Road.</p>	
7	<p>Turn right, cross road bridge; then immediately turn left at Finger post, nice grassy path with hedge on left, rail fence on right. When rail fence ends, keep ahead, hedge on left. On reaching bridge on left, cross bridge, keep ahead, wire rabbit fence on right, ditch on left, passing old sewage works on right, keep ahead towards Church. To Road.</p>	
8	<p>Cross over concrete road and enter copse opposite. Wend your way through this copse, veering left at fork, to emerge on to grass field and gate. Through Gate to service road, Church on Right, at end of this road, turn left and now you are back at the Chequers PH.</p>	4.75
